We have drawn orders to amount.....	6,179 07
Overdrawn the account.....	\$320 99
There were outstanding orders.....	590 89
	<u>\$911 88</u>

Of this amount there has been paid for remodel-  
ing school building to conform to plan of  
State Board of Health.....

Leaving overdraft for school purposes.....	\$147 16
There will come back at end of year for first half of year from State Teachers salaries	\$198 00
Transportation about . . . . .	12 00
Rebate City of Rutland, tuition.....	35 00
	<u>\$245 00</u>

Our expenses have been large on account of requirements  
of State Board of Health and there remains one school house to  
be remodeled this year (Hayti) when all our buildings will be in  
first class condition, acceptable to State Board. Considering  
what we have had to expend and the expense on the Hayti  
school the coming year we would recommend a tax of 60 cents on  
the dollar which we expect will clean up all deficiency.

D. D. HEWITT  
JOHN W. HANLEY

## Auditor's Report

We have examined the accounts of the town  
officers and find them correct.

We recommend a general tax of 60 cents and  
highway of 20 cents, school tax 50 cents.

W. E. NAVIN,  
J. A. NELSON.
